COSMO
Vienna

ADJUSTABLE
BED FRAME
Sophistication is defined by quality: a nonchalant refinement that runs through every aspect of its subjects’ character. No city embodies this quite like Vienna, as city that appeals to the part of our soul that recognizes beauty and comfort: a worthy inspiration for COSMO Line.

Even when the Viennese sleepwalk, they do it with swagger. The effortless style of the Austrian capital is honored by the COSMO Vienna. The full-featured flagship product of the COSMO Line provides distinctive style, poise, and comfort to the collection: an irreplicable elegance that fits perfectly into every day.

The frame’s multi-setting massage function enhances comfort and guarantees satisfaction, but it doesn’t stop there. The COSMO Vienna also features nightstand reach functionality – the only compact and shippable adjustable on the market to do so – thus ensuring exceptional functionality and ultimate convenience for consumers.

Goodnight, Vienna.
